

2015 GRANTS AND CONTRIBUTIONS BY GOAL

Healthy Living

All Colorado kids are fit and healthy.

Health Coverage

All Coloradans achieve stable, affordable and adequate health coverage.

Health Care

All Coloradans achieve health with support from a network of primary health care and community services.

We actively seek grant proposals and develop initiatives that will help us achieve these goals. The greatest impact will come from comprehensive projects that deliver results toward the intersection of all three community outcome areas. Although we will continue to consider truly extraordinary ideas that don't directly support the *Healthy Living*, *Health Coverage* and *Health Care* community outcomes, the majority of our funding goes to programs that do.
