Funding Opportunity: Supporting Coloradans in Recovery through Peer Support Services

This funding opportunity will support individuals in accessing peer support services as part of their recovery journey.

Proposed programs and/or projects must reflect the Foundation's cornerstones, as our work is grounded in serving Coloradans who have low income and historically have had less power or privilege, putting the creation of health equity at the center of everything we do, and being informed by the community and those we exist to serve.

Have questions? We're here to talk through your ideas and encourage you to connect with us before applying for funding. If you're not already connected with a program officer, please reach out to us by Show email or phone at Show phone , and be sure to note the county you work in and area of interest.
