2018 Colorado Health Symposium Presentations and Resources

2018 Colorado Health Symposium - Achieving Equity in Behavioral Health
Aug. 1-3

Our 2018 Symposium, **Achieving Equity in Behavioral Health**, focused on the complex ecosystem of behavioral health and the role that inequity plays, from prevention to recovery. From a worsening opioid epidemic to pervasive issues with access to care, Coloradans are facing tough barriers that keep health out of reach. Watch archived sessions from the conference here.

Please note that some of our speakers do not make their presentations available for download.
