The Colorado Health Foundation™

Understanding Colorado's Local Governments: The Fiscal Outlook for Cities, Towns and Counties During COVID-19, and Its Impact on Communitie

This webinar discusses how cities, towns and counties across the state are experiencing the impacts of COVID-19, the many changes to local government budget and fiscal constraints, and how communities are recovering from economic decline. Additionally, access our 2020 Local Ballot Initiative Tracker to help you follow local policy measures that may impact your organization and community.
