The Colorado Health Foundation™

Advocacy Grantee Convening

Held on Dec. 16, this session provided a virtual opportunity to hear from Karen McNeil-Miller, President and CEO, and Jehan Benton-Clark, Senior Director of Advancing Equity and Justice, with The Colorado Health Foundation. They addressed the Foundation's journey to center health equity and racial justice in its

work. Participants were able to learn, discuss and engage in this unique opportunity to share insights with the Foundation on our work around equity.
