At the Heart of the Matter: People + Power = Possibility

Thank you for joining us for At the Heart of the Matter: People + Power = Possibility! The virtual event, held on Feb 23, 2023, featured a special performance by artist, educator and activist Kerrie Joy, as well as a virtual conversation between Eric Liu, CEO of Citizen University, and Karen McNeil-Miller, president and CEO of The Colorado Health Foundation. Eric and Karen explored how individuals can tenaciously use power to demolish systems that create and maintain inequities.

Watch a full recording of the conversation in English or Spanish. You can also reference the chat and watch other events in the **At the Heart of the Matter** series here.
