

# Accountabilities

As an organization focused on pursuing racial justice to achieve health equity, The Colorado Health Foundation (CHF) staff annually collects and publicly shares data that demonstrates our progress in how we're centering race and ethnicity in our work. The accountability commitments outlined below are designed to show – over time – how our [Board of Directors](#), investments, advisors, partners, grantees and [staff](#) encapsulate and represent diverse experiences, perspectives and approaches.

## **1. People of color represent 50% of our Board of Directors.**

**2. By 2025, at least 25% of our total managed investment portfolio (MIP) is managed by firms owned by women and/or people of color or who have women and/or people of color in key decision-making roles.**

[LEARN MORE](#)

**3. Beginning in 2021, at least 50% of approved funding supports programs where at least half of the people served are people of color.**

[LEARN MORE](#)

**4. By 2024, at least 25% of our overall funding benefits organizations that are led by and accountable to communities of color.**

[LEARN MORE](#)

**5. At least 50% of our capacity building funding through 2025 benefits organizations**

**that are led by people of color or centered on communities of color.**

**LEARN MORE**

**6. By 2024, 50% of our vendors and contractors represent businesses principally owned or led by people who identify as women or people of color or that have significant people of color represented among senior leadership/board.**

**LEARN MORE**

**7. On an annual basis, The Foundation collects and publishes demographic information about staff, including race and ethnicity, gender, sexual orientation, age and ability status**
