The Colorado Health Foundation™

Colorado KaleidosCOpe: Colorado Mental Wellness Network - The Power of Peer Support

The Colorado Mental Wellness Network (The Network) is a grassroots nonprofit organization created and operated by individuals who live with a mental health condition. We are committed to providing individuals with tools and self-help information to achieve their goals while changing community perceptions of mental illness.

This video was originally created as part of the 2011-16 Colorado KaleidosCOpe statewide storytelling campaign.
