# Annie Lee, JD, President of Colorado Access, Joins Board of The Colorado Health Foundation

Annie Lee, JD is the newest member of The Colorado Health Foundation Board of Directors.  Currently, she is the president and CEO of Colorado Access. She also has extensive experience working within Colorado's Medicaid landscape with previous roles at the Colorado Department of Health Care Policy and Financing, Kaiser Permanente Colorado, and Children's Hospital Colorado.

"I am deeply honored and excited to join the board of The Colorado Health Foundation," Annie says, "The Foundation's commitment to advancing health equity and improving the lives of communities across Colorado resonates strongly with both my personal values and professional mission. I am grateful for the opportunity to contribute to this vital work."

Annie's perspective and expertise will help guide The Colorado Health Foundation as we continue to pursue health equity for all Coloradans.

###

The Colorado Health Foundation is a statewide philanthropic organization that champions the overall health and well-being of every Coloradan by advocating for and investing in solutions and policies that drive health equity and racial justice. Every day, we collaborate with organizations and communities across the state to break down the many systemic inequities that stand in the way of health. Learn more at www.coloradohealth.org.
