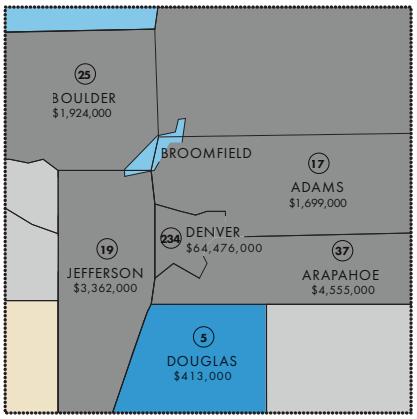
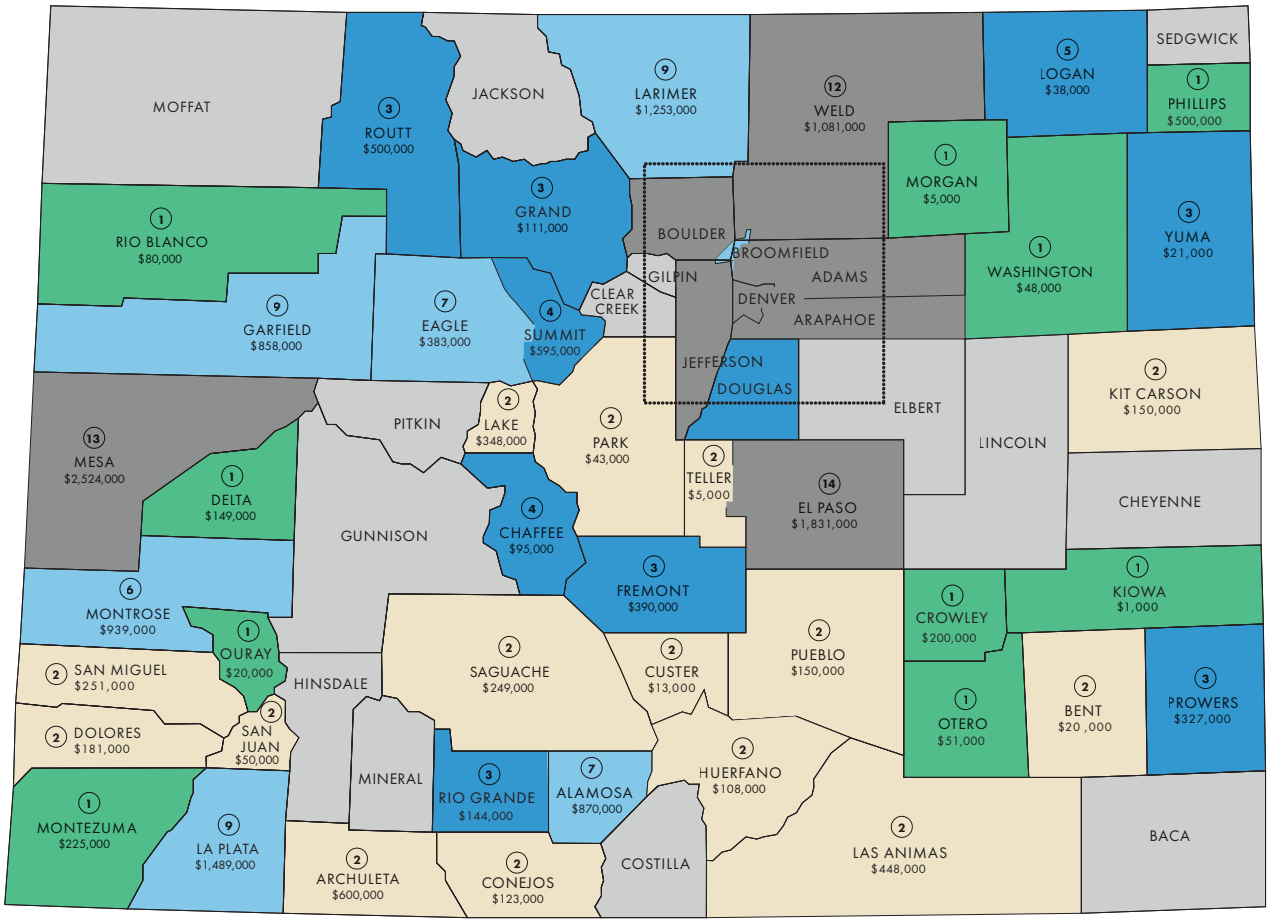
The Colorado Health Foundation™

2016 GRANTS AND CONTRIBUTIONS BY COUNTY




The Colorado Health Foundation's focus encompasses the entire state of Colorado. Recognizing that rural areas have different challenges when it comes to health and health care, we reach out to communities beyond metropolitan Denver to learn about their critical health care needs, and partner with local community leaders and organizations to help address those issues. The maps represent the location of organizations that received grants and contributions in 2016.
