

Agenda: Housing Markets in 2022

12:00 – Welcome and overview, housekeeping re: Q&A Sara M

- Explain the 6 topic areas, the landing page,
- We recommend you do the full series if possible
- Intro in the chat
- Sara moderates—just needs bios
- Kathleen collects questions—shoot to sara

Ranked question: Your top 2-3 issues related to housing with an other/please specify category

Jenn Lopez Set the stage—definitions, market why this series now—speakers today

12:20 – National housing trends from the federal perspective—Mike Washington Senator Bennet's Office Confirmed—need to see if he can speak to housing markets or just bennet's framework.

12:40 – Colorado Housing Markets and strategies - Jonathan Capelli – (high level)

Explain ARPA into the state

- Existing housing trust fund
- DOH versus CHFA–
- State versus local—dynamics (funding levels how things are funded)

1:00 – those most impacted—Cessiah from 9-5

- Who is impacted
- Statistics on how impacted
- Solutions-strategies
- What local leaders can do to help the most impacted

1:40 – Q and A?

- Q&A — need to think through how to handle based on number of registrants — Kathleen can facilitate Q&A in chat and throw key questions to speakers
- Zoom poll/True or false – we like both of these ideas to facilitate interaction and get information
 - Tentatively, let's schedule a quick Zoom poll toward the beginning, before Capelli's presentation
