

Heartwired Persuasive Messaging - Worksheet

Imagine you are a legislator. You are required to vote YES or NO on each of the proposed laws listed below. Your vote will be the deciding vote on the legislation: If you vote “yes,” it will become law; if you vote “no,” the policy will die.

Please mark your YES or NO vote for each law. Even if some votes are difficult, please try to decide quickly and go with your instinct.

YES	NO	
___	___	1. Prohibit the use of social media by anyone under the age of 16.
___	___	2.
___	___	3. For people convicted of misdemeanors and low-level felonies, automatically seal their criminal records if they have no new arrest after five years.
___	___	4. Mandatory loss of driver’s license for three years for driving while intoxicated.
___	___	5.

Now, CIRCLE the one vote that was the most challenging for you to decide.

Please write down the thoughts and feelings you had when trying to make a decision about that challenging vote.
